Looking to expand your creativity? Check out Black Walnut Farmstead!

First Saturdays are dedicated to all forms of creativity.

You're invited to bring your own "sit & craft" project & hang out with other locals doing their thing! We begin each gathering with a half hour guided demo or group artsy experience led by Jan (farmstead owner) or other willing volunteers. The rest of the time we sit & craft, chat, laugh, share ideas, & express our creative spirits.

Third Saturdays are Yarn & Fiber Days.

Our Yarn Mentors are there to teach & you can **Learn to Crochet & Knit.** You're invited to be a student ... or perhaps you have a fiber art you'd like to share & teach others yourself. **For Beginners & those who want to brush up on old skills as well as long-time fiber lovers!**
